

Eat.Shop.Play.

Are you ready for the holiday season? Well, we can help you with our **9th annual Christmas Show** on **November 20**. As women we are often the multi-taskers, so this event should suit you just fine, as you get to eat, shop and play all at the same time. And if you're a solopreneur or small business owner, look on this as your office party and come and have fun.

Eat. Enjoy tasty appetizers so you can nibble as you check out the exciting gifts for sale.

Shop. It is power shopping with a purpose – you get to support women business owners while making a dent in your holiday list, with over 30 vendors you are bound to find the perfect gifts, and all this armed with a glass of wine! How civilized.

Play. Have your tarot cards read, handwriting analysis, mini manicures, reiki and more
